Cardiff Bay is a fantastic destination for a school visit. Whether you’re looking for something educational, active, artistic or a combination of all three, there’s sure to be something to suit your needs.

This guide will help you find out which organisations in Cardiff Bay offer school workshops, tours or other activities and how to contact them to find out more.

If you’re looking to bring a large group to the Bay, organisations will do their best to work together to combine a rotation programme to suit your needs.

All organisations are listed in alphabetical order so read on and get in touch if we can help at all.
Bay Education - Discover Cardiff Bay

Cardiff Bay is continually developing as a valuable educational resource and, with over ten years’ experience of delivering education in the Bay, the Harbour Authority Education Team is fully committed to improving the learning opportunities that the Bay has to offer.

More information about the current programme and a downloadable education pack can be found online: www.cardiffharbour.com

What’s available
- Full and half day packages available.
- All year round education programme.
- Group visits (up to 60 children).
- National Curriculum linked activities.
- Risk Assessed.

Plan the Bay - Your Way

What’s included: Boat trip, development site visit, design session and clay modelling.
Suitability: Key Stage 1 and Key Stage 2
Curriculum links: Geography.
Learn about Cardiff Bay, its past, present and future. Children plan and design the future sustainable development of Cardiff Bay. An optional resource pack produced in conjunction with Cardiff LEA is available.

Bay Explorers

What’s included: Cardiff Bay Wetland Reserve visit, pond dipping session, boat trip, bird identification session, interactive plenary with experiments and activities.
Suitability: Key Stage 1 and Key Stage 2
Curriculum links: Science.
Explore the Cardiff Bay Wetland Reserve and discover its wildlife. Children learn about freshwater habitats, food chains, and the importance of conserving the environment.

Barrage Tours

What’s included: Guided boat trip and Barrage tour. Indoor video and presentation session.
Suitability: Key Stage 1 – A2
Curriculum links: Geography.
Understand how this major engineering project created 13km of waterfront and turned Cardiff Bay into an international waterside destination. Explore the history, regeneration and future development of Cardiff Bay. Learn about the construction and operation of the Barrage, the freshwater environment and the impact of climate change.

Situated 2 minutes away from Wales Millennium Centre, BayArt has been open to the public since 2003 and runs short drawing workshops in their large, light gallery.

The venue offers pupils of all ages the opportunity to discover and enjoy contemporary visual art. The gallery is also keen to promote the importance and primacy of drawing within the visual arts.

Additional information

- BayArt was awarded an Artmark award in 2009.
- Workshops are available for primary, junior and secondary schools.

“On each occasion that I have worked with Bay Art Gallery, the pupils and teachers involved have been able to enter a sophisticated, yet open and democratic, creative environment where the opportunity to create and express their own ideas is paramount.”

Nigel Meager, School of Education, University of East Anglia
The Education and Community Outreach Department of BBC National Orchestra and Chorus of Wales extends the reach of the Orchestra and Chorus beyond the confines of the concert hall.

Activities range from introductory concerts for children of all abilities to workshops, projects and events for talented composers and musicians across Wales. Get in touch for more information.
Education remains at the core of Butetown History and Arts Centre. In their new and improved public spaces on the ground and first floors of the centre, they offer an extensive programme of community education for learners of all ages, including young people and the elderly. Many of these courses and workshops will be arts education.

The centre accommodates school and university student visits which include talks and tours on visits to the Heritage Gallery, World War 1, Multiculturalism in Wales and The Tiger Bay Story. You can find out more online.

Develop personal and social skills, improve your self-confidence and learn about team building, communication and respect for others through sail training on Challenge Wales, a 72-foot round-the-world yacht based in Cardiff Bay.

Youth sail training activities are available for those aged 12 – 25 years. No sailing experience is necessary and the group will get involved in all aspects of sailing the boat.

**Challenge Wales offers:**

- 1 to 10 day sailing voyages (a bespoke trip is created to meet your requirements).
- Bursary funding available to subsidise costs (if eligible).
- Sail with up to 10 young people and 2 group leaders (group leaders travel free of charge).
- Gold Duke of Edinburgh’s Award Residential opportunities as a DoF Approved Activity Provider.
- Royal Yachting Association (RYA) sailing courses.
- Volunteering opportunities for young people and adults.
- Adventurous activity, project weeks and trips with a difference.
- Team-building and leadership activities for group leaders.
- Waterproof trousers and jackets, life-jackets, food/refreshments while onboard.
- Pre-voyage visits and taster sails for group leaders.
- Tours of the boat (without setting sail).

**The value of sail training and outdoor activity:**

- Promotes the growth of group identity.
- Enables achievement and success.
- Places everyone on a level playing field.
- Presents a challenging experience in a stimulating natural environment.
- Fosters relationships and understanding between teachers/group leaders and students.

The perfect venue for school trips: inspire learning like never before with the Doctor Who Experience.

This interactive journey takes you and your pupils on an adventure through time and space. Step through a crack in time and help the Doctor, armed with his Sonic Screwdriver to escape from his foes. Fly the TARDIS and come face-to-face with some of the scariest monsters seen on screen.

Following the multi-sensory experience, pupils can immerse themselves in the props used in the television series within the exhibition area, including a behind-the-scenes wardrobe and make-up area.

With educational tool kits supporting Key Stage 2 and Key Stage 3, an on-site classroom and an indoor area to eat packed lunches, discover the technology and design secrets behind one of the biggest shows on TV at the Doctor Who Experience.
Goleulong 2000 Lightship is a charity and a joint project where Churches in Wales are working together to provide a Christian presence within the Cardiff Bay community.

The Lightship is pleased to welcome visits by schools and groups. Tours, for which no charge is made, comprise of a short presentation and a conducted walk around the vessel, which tells the story of the Trinity House Light Vessel 14. The Light Tower can be climbed as part of the Tour and a certificate is available to celebrate this achievement. Donations towards the work of the Lightship are appreciated.

The Lightship is currently developing a number of packages that address particular aspects of the Foundation Phase and the Welsh 3 – 19 Skills Framework. Aspects currently offered:

**Foundation Phase**

- Visiting the Lightship – support material is available that covers the Areas of Learning for the Foundation Phase in terms of activities, skills and range.
- Lighthouse Keeper Stories (Ronda and David Armitage) – ‘Story Time’ is available using this series of stories. It is also possible to add a ‘meal’ package where appropriate to the story title chosen – there is a charge to cover the cost of the food.
- Christingle – make a Christingle in the Lightship Chapel (available November/December). A charge is made to cover the cost of materials used.

Literature Wales administers **Writers on Tour**, the funding support scheme which can provide support towards a variety of literature events. These include workshops, lectures, readings, conferences or any event concerned with the practice, promotion, appreciation or development of creative writing. Literature Wales can also help organise events and find authors to take part.

Literature Wales organises frequent literary events for children. These include walks, workshops, and festivals celebrating books, authors and the love of literature.
Take your students on an Educational Visit to the Assembly or receive a presentation in your school or college.

For information about the Assembly’s educational programmes, visit www.exploretassembly.org

**Siambr Hywel virtual tour**

To prepare your pupils before your visit, why not look at the virtual tour of Siambr Hywel online which will take you through an Educational Visit.

You can combine a visit to the National Assembly for Wales with an overnight stay at the purpose-built Urdd City Sleepover in Wales Millennium Centre. For more information, please visit www.urdd.org/en/cardiff
National Dance Company Wales creates inspiring and entertaining choreography, danced all over Wales, the UK and internationally by charismatic and virtuosic dancers.

The company is led by Artistic Director Ann Sholem. The exhilarating performances are complemented by a wide-ranging programme of engaging participation and education work throughout the community and the development of dance at the company’s home, Dance House at Wales Millennium Centre.

The company’s range of participatory activities through the year for ages 9+ includes:

- **Future Dance Cardiff** - an annual programme of courses and events delivered in partnership with Arts Active including Dance Development Days for ages 13-19, summerdance (an intensive week for ages 14-24 ending in a performance with live music) and Associates (regular contemporary technique classes for talented dancers aged 14-19 aspiring to move into full-time dance training).
- **Jumpstart** - a weekend day of dance for ages 9-12.
- **Tour Workshops** - in connection with the company’s tour these 90 minute workshops can be led in your space or the Dance House. They are led by two professional company dancers and are based on the choreography the company’s dancers perform on stage. A warm up is followed by a chance to learn to dance a section of the show, creative work, sharing and a question and answer session.
- **Watch Dance Class** - artists and photographers are able to sketch or photograph the company’s dancers in action or you can simply watch the class.
- **Open Rehearsal** - come and see the choreographer and dancers in action during the creative process in the run up to the company’s tour première.
- **Interactive Matinees** - audience members can take part in class exercises and rehearsals on stage with the dancers before a full performance of one dance piece and an opportunity to ask the dancers questions after the show.
- **Dance House tours** - get a peek backstage at the Dance House, see the company’s spaces, dressing rooms, costume room and roof terrace.
- **Talks** - find out more about dance as a career, how a choreographer works with dancers and much more.

If you are interested in any of the above or would like a copy of National Dance Company Wales’ Learning Pack, please get in touch on the details below.

Pedal Power is the Cardiff-based cycle hire charity which aims to enable everybody to enjoy the benefits of cycling.

At its Pontcanna headquarters, it offers a wide variety of specialised bikes and trikes to overcome any barriers to cycling that disabilities may present. At its Cardiff Bay base (next to the Doctor Who Experience), it provides bicycles, pedal buggies and tandems for hire. There is a route around the Bay which is mainly off road and is approximately 6 miles, taking just over an hour to cycle. Larger groups can be catered for with advance notice.

This provides an ideal opportunity for school groups to explore the many interesting facets of the Bay whilst enjoying the benefits of physical exercise.

Additional information

- Opening times for April-September:
  - Cardiff Bay: weekends/school holidays 11-6pm
  - Pontcanna: daily 9-6pm
- Inclement weather: Call 029 2039 0713 to check if the Bay base is open
- A map to direct you around the Bay is available

Your pupils will be inspired by more than 120 hands-on exhibits, ideal for child-centred learning and investigation.

Techniquest provides a unique experience in supporting teachers in their teaching of numeracy and literacy with its broad and dynamic science and maths programmes.

For Foundation Phase and Key Stage 2 pupils, Techniquest offers interactive shows in the Science Theatre or digital Planetarium. Key Stage 2 pupils can also take part in a series of workshops in the Laboratory, allowing pupils to gain practical experience.

School visits are so well organised that teachers can simply focus on the learning experience. Resource materials are also supplied to help pupils extend the knowledge they have gained when back in the classroom.

For secondary school pupils, Techniquest offers shows in the digital Planetarium as well as Mathamagic days in June. Our DNA Workshops, aimed at A and A/S level pupils, use research-quality laboratory equipment.

Additional information

- Techniquest also provides a range of inspiring shows, workshops and other programmes which can be delivered to your school.
You’ll find Cardiff Bay’s new family boating adventure at the Quayside of the historic Graving Dock behind Techniquest. Here, you will be able to hire and skipper an easy-to-drive boats, giving you the chance to leisurely and safely get afloat out on Cardiff Bay’s tranquil waters.

There are two self-drive hire routes and a guided tour option.

**Route 1**
The circumnavigation of Cardiff Bay where you will have the opportunity to take in its abundance of wildlife and waterside buildings, both historic and modern.

**Route 2**
This longer route gives you the opportunity to travel up the River Taff and get up close to Cardiff’s famous landmark, the spectacular Millennium Stadium.

No experience is needed as a full instructional brief is given on driving, safety, route, terms and conditions prior to launch. Maximum 6 persons aboard these unique Dutch built boats.

**Route 3**
This new experience offers you the opportunity to drive as an experienced guild leads you out on the Bay and up the River Taff. Great for parties, school trips and team-building days, this hour-and-a-half journey takes in many of Cardiff’s sights. Group bookings can be made for a minimum of 2 and a maximum of 4 boats with each boat carrying 6 people (max. 4 adults, 2 children. The main driver must be 18 years or over.)
You can’t help but find inspiration from the wonderful array of craft on display in Craft in the Bay’s galleries. They also have three workshop areas to accommodate practical activities in subjects such as pottery, sculpture, felt making, weaving and printmaking.

Open to all ages and abilities, Craft in the Bay can tailor-make a workshop for you and your group. With time to explore the gallery included in your visit, they offer workshop sessions from one hour upwards, depending on individual requirements and group sizes.

Charges are only made for practical workshop sessions. Access to the galleries is free.

Third Floor Gallery

Third Floor Gallery exhibits contemporary photography by internationally renowned artists. In a typical year you can expect ten different exhibitions, with work that ranges from current media events and hard hitting documentary work, to the great solo exhibitions by well established art photographers.

The gallery’s programme is exciting and accessible, shunning the more academical approach followed by many larger organisations. All of their exhibitions are free, and the gallery is open from Wednesday to Sunday, 12-6pm.

- Group visits: If the gallery is contacted in advance, they can provide a guided tour of the current exhibition by one of the trustees or curators. Groups that have visited the gallery have ranged from as few as half a dozen to forty. Previously, visits have been organised by local schools, Cardiff Youth Services, and by photography courses at college and university level. Please enquire in advance if the displayed work is suitable for your age group.

- Stand Up Slideshows: Once a month, the gallery organises an open event to which beginners, enthusiasts and professionals can bring their photographs and discuss them. By turns each participant presents their latest photographs using a digital projector, be it a series that they have finished or current work in progress. This format works best when the photographs follow a topic, and can lead to very heated debates. It is popular with university and college students.

- Talks: Third Floor Gallery also organises talks and symposia that are open to any visitors. Previously they have had Magnum photographer David Hurn talking about how he started his career in the late 1950s and current projects, Dutch documentary photographer Rob Hornstra discussing his work in Russia and how to self publish photobooks, Kevin Meredith describing the joy of photographing with toy cameras and how they led to his publishing career, and many many more. The best way to keep updated on the gallery’s talks is to request to be added to their mailing list or following the gallery page on Facebook.

Additional information

- The gallery is open Wednesday - Sunday

Based in the heart of Wales Millennium Centre, Touch Trust is a pioneering charity that provides unique creative movement education for people of all ages who have complex needs and/or autism. Their sessions involve all of the senses through the use of music, dance, drama, touch and relaxation.

Touch Trust’s licensed programme not only brings enjoyment and contentment to participants, but also enhances and enriches their lives through raising their self-esteem and confidence and reducing feelings of isolation and frustration. It is now delivered, not only in its bespoke base in Wales Millennium Centre, but also in a large number of special schools and health and day centres across Wales and further afield. Touch Trust’s provision is continually expanding and is highly acclaimed by parents, teachers and the medical and social professions.

• Come and see what Touch Trust do and be part of its enjoyable, creative and nurturing environment.
• Schools are welcome to bring small groups of students (five or less) to observe and join in with sessions to witness a unique approach to special needs provision, to gain a sense of community and to develop a wider understanding of disability. Please contact Touch Trust to book your group in.

Touch Trust’s programme changes lives and it aims to accommodate everyone so please contact them for more information:

• Group or one-to-one sessions for any age
• Mother and baby sessions
• Family sessions for parents, children and siblings
• Creative further education provision for special school leavers aged between 19 – 25 year olds with profound and complex needs within their pioneering ‘College of the Arts’

Charity number: 1078995
Ty Cerdd’s education department offers an original range of classroom music resources suitable for teachers and pupils with and without musical experience.

Based on musical works written for Ty Cerdd by Welsh composers, children journey through the magical musical worlds of dragons, dinosaurs, pirates, castles, mystical lost islands and the bones of our ancient ancestors.

During their musical explorations, children discover the techniques composers use to describe events, emotions, landscapes and characters through music. They then write their own music and combine this with other art forms such as dance, visual art, literature and drama. The result is an original artistic work that is as individual to its creators as it is inspirational to the audience.

Packed with creative fun and musical nourishment for their imaginations, these resources are available ready to use from Ty Cerdd Education. Each project is presented in six lessons and can be easily adapted to include other subjects.

Ty Cerdd Education works in partnership with Making Music UK, PRS Foundation for Music, BBC Radio 3, BBC Performing Arts Foundation, Wales Millennium Centre, Royal Welsh College of Music and Drama and Sound and Music to deliver Welsh music resources across the UK.

Charity Registration Number: 503433
The Urdd City Sleepover is a 4 star, 150 bed hostel and activity centre under the roof of the iconic Wales Millennium Centre. It is purpose built for school and youth groups and offers a variety of workshops, revision residentials, rehearsal spaces and much more. There are numerous teaching and conference spaces for students and staff, a fully equipped theatre and a wealth of resources all under one roof.

The team at the Urdd City Sleepover can arrange a full timetable of activities for residential groups who want to experience the educational opportunities that Cardiff Bay and the City has to offer. Urdd Gobaith Cymru is Europe’s leading youth organisation and specialises in organising activities in fields such as sports, the arts and environmental studies. They can offer curriculum and non-curriculum based educational residential experiences and day visits to all ages.
There is a lot more on offer at Wales Millennium Centre than a sit down theatre experience. As well as the Donald Gordon Theatre and Weston Studio programme, there is a selection of year-round opportunities for schools and communities – any age and ability, all aimed at enabling the Centre’s visitors to get closer to art.

As well as a range of show-linked activity that changes every season, there are ongoing opportunities for people to come along and get involved. Here’s a taste of what the Centre has to offer but if you require any further information on specific events, activities relating to a particular show, or just a chat about what they might be able to offer you then feel free to check out the Centre’s website and get in touch.

- Performance opportunities on the Gianfa Stage.
- Tour and Talk packages.
- Show linked workshops.
- Learning packs.

Charity number: 1060458
Opera isn’t just something you experience from a seat. Opera is a living, breathing force. It’s something to be a part of, something which can change your life. Welsh National Opera do youth and community work because they believe that opera can transform lives. Here are some examples of the wide range of work they do. If you like the look of what you see and want to take part then get in touch with WNO.

Young Talent
The Young Talent projects start by getting young people who love music into opera. For those who become passionate about opera, WNO offers opportunities to develop their skills professionally.

Schools and Families
Inspiring children and their families with a first taste of opera through music making and story-telling projects.

Partner Projects
Working in partnership with other agencies and charities, WNO can reach beyond arts audiences and across communities to share the transformative power of opera.

Community
Opera is all about storytelling through music. WNO’s community projects use storytelling and music to bring communities together. These projects also give people a means to express themselves through song.
World of Boats is an exciting new addition to Cardiff Bay, complimenting the other range of attractions with an offer that is enjoyable, educational and insightful. It has over 30 remarkable boats including the Elena Maria Barbara in the early stages of restoration.

The Boat Lab helps explain the restoration process with carpenters using original tools on site and hands on displays. The video theatre helps guide you through the evolution of boats and their uses. Located alongside Doctor Who, it is an all-weather attraction with an all-day ticket. Enjoy a unique look from the South side of the Bay with World of Boats.

There is a separate education room that can be used for teachers’ activities or as a base for bags and lunches. There is also a pocket money friendly shop and a fully catered café on site.
